CULTIVATING THE SEED OF LOVE

Thich Dao Quang, is a Zen Buddhist monk and teacher ("Thay"), serving as abbot at the Tam Bao Buddhist Temple in Baton Rouge. He is a Licensed Professional Counselor and works part-time at a local substance abuse treatment center, where he teaches mindfulness meditation. Thich Dao Quang says "We live in a society where we can have everything, but don't have enough love and understanding. Thus we have conflict. If we as individuals can cultivate the seed of love, then we can eliminate many problems in our society."
